Rate *(§ 465(1)): "may be established by submitting to the franchisor one hundred sequential nonwarranty customer-paid service repair orders or the number of sequential nonwarranty customer-paid service repair orders written within a ninety day period, whichever is less"*

Notes

The § 465(3) lookback sentence is oddly drafted. It bars audits/chargebacks beyond 1 year (5 for fraud) 'without providing a notice ... or a mechanism' giving the dealer information on the errors. Read conservatively as a 1-year/5-year window plus a notice duty. The 2024 amendment (ch. 301) added extended-warranty and factory-compensated repairs to scope and pays time per the dealer's retail labor time guide. House-coach residential components are excluded from parts reimbursement. Pending A8773/S8360 (2025-26) is not law.
