Notes

The 11/1/2025 acts gave manufacturers 45 days (was 30) to rebut and propose an adjustment. HB 2160 extended ¶ 9(b) to new powersports dealers. Both acts rewrote § 565 from the same 2024 base with the same substantive ¶ 9(b) text, so OSCN may carry two merged versions. Warranty claims have no deemed-approval rule. Time allowances must be 'reasonable and adequate'. Diagnostic work and OTA-related customer assistance are included. Cost-recovery surcharges are barred.
